## Internship Program Admissions

Briefly describe in narrative form important information to assist potential applicants in assessing their likely fit with your program. This description must be consistent with the program's policies on intern selection and practicum and academic preparation requirements:

Providence Medical Group Integrated Care Internship provides training for a wide range of psychological concerns within a medical setting. Training takes place at Providence Medical Groups, located in Portland, OR and the metro area. Our goal is to equip interns to be generalist clinicians with competence in behavioral health integration.

Does the program require that applicants have received a minimum number of hours of the following at time of application? If Yes, indicate how many:

Total Direct Contact Intervention Hours	Yes	Amount: 400
Total Direct Contact Assessment Hours	Yes	Amount: 30

Describe any other required minimum criteria used to screen applicants:

While we strongly encourage all candidates to apply, those candidates with prior experience training in integrated primary care and/or integrated health psychology settings are highly preferred.
